This action-filled dice game keeps the fun going full throttle from the first roll to the last! The zippered Bunco BUDDIES! pouch comes with everything needed for a Bunco party of up to 12 players, but the instructions include rules for a single-table 4 to 6 player game as well. At the sound of the bell, paired players (BUDDIES) commence rolling their dice, one buddy using 5 white dice, the other black. As long as a team's roll results in at least one match (same number, opposing colors), those matches are set aside and the remaining dice rerolled. This exhilarating process repeats until no further matches occur, at which time each team earns one point for every match they accumulated during the round. Matching all of your dice over the course of a turn earns a BUNCO!, doubling the score for 5 matching pairs to a whopping 10 points. Bunco BUDDIES! is easy to learn, fast-moving fun that inspires lots of playful social interaction - frivolous running commentary, appeals to Lady Luck, and excited roars each time a BUNCO! occurs. Bunco BUDDIES! includes 30 dice (15 white/15 black), 12 pencils, 1 bell, 1 pad of score sheets, instructions, and a compact carry pouch.
