

Name: **Grandpa Kevin's...The Three Little Pigs**

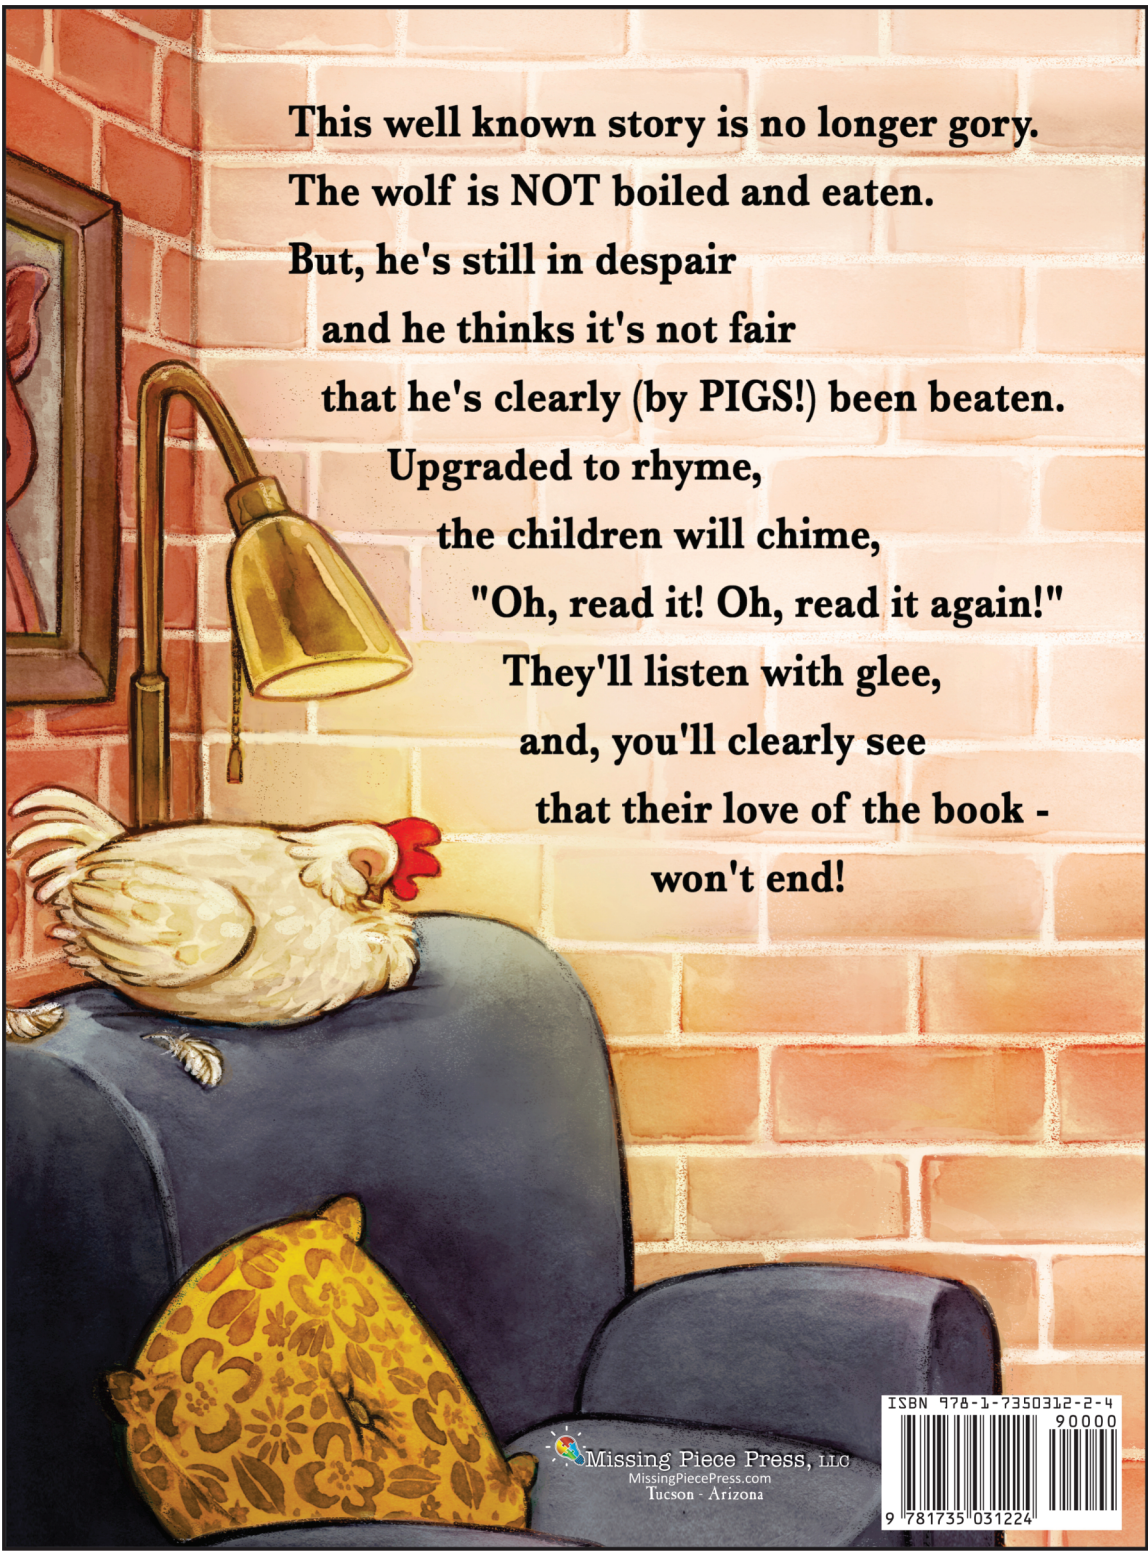

Ages: 2+

Awards:

Description:

Author, Kevin Brouger (Grandpa Kevin), updates the classic story of three little pigs and one persistent wolf. The triple rhyme format brings bounce and fun to the wonderful illustrations by Jessica Warrick.

What a great update to the classic. Really fun updates with the wording. I cant get over the cuteness of the artwork. My kids are grown but looking back on when we read these stories they created such great memories. Start a tradition with your kids and read outloud to them. They enjoy it more than you know.

Kathy

★★★★★ Creative and entertaining for the little ones

Age 1 - 10 yrs.

This wonderfully revamped version of the classic story hooks youngsters from the start and keeps them eagerly engaged, page after page, with cries of "let's read it again!" at the end. The finely-detailed illustrations have an unusually enticing warmth and energy about them that goes perfectly with the lilting, lighthearted rhymes through which the tale is told. Parents of pre-reading kids relish reading the story aloud while rapt young audiences hang on every word, though the visuals are so compelling and communicative that many a little one will be found contentedly poring over the pages on their own. Another distinction parents greatly favor is that this entertaining upgrade to the original story finds no pigs devoured nor wolves boiled. Instead, budding readers learn that with stick-to-itiveness and the occasional backup plan, things will turn out quite nicely in the end!
