Ready for some **FAMILY FUN**? Then you are ready for **GO FISH 3**! Let's say you have **THREE Clown Fish** cards. Lay them down and ask **ONE** other player if they have any that match. If they **DO**, they **ONLY** give you what you **NEED**. In this case, you only need **TWO** more to equal the **FIVE** needed. Get the **5** and you get to move on the board! Didn't get any that you needed? Yep...**GO FISH!** (Draw a card.) But, uh oh, now the other players know that you have **THREE!!!**

You will soon discover that there are **MORE** of the low point value cards than the **BIG** point cards. So, keep that in mind when you are "**fishing**" for cards from your opponents!

A LITTLE thinking...a LOT of fun![®]
