Components: 72 Cards, 1 Rule Sheet, 4 Game Pieces, 1 Double-Sided Game Mat

Description:

- Start with a line of **4** cards in a line that is called the **Klone Line**.
- You have **5** cards in your hand. During your turn you will draw one and then play as many as you can.
- Playing a card means that it matches a card in the **Klone Line** so you lay it down in your **Match Line**.
- Match them all and you win! But, wait - you can also **ADD** cards to the **Klone Line**. Only do that if you have **2** of the same card so that when you play it to the Klone Line you already have a match! And maybe your opponent does **NOT** have it!
- Matching has **NEVER** been so fun! Klone It! is an addicting **FAMILY** game.
