Description:

Hmm...just get rid of all my cards and be **EMPTY HANDED**?! Piece of cake! Wait...what?!? I have to land on a 7 to get rid of my 7's? But I don't have a card to move to a 7. Hmm. I can move to an **X**, but what, that doesn't help? No matter what, I always end my turn with drawing 1 card. Hey, this is a little tricky! Yep, **EMPTY HANDED** is a super addicting little card game. Don't worry, you **WILL** get empty handed. And do it enough and faster than your opponents and you will **WIN**!

A LITTLE thinking...a LOT of fun!®
