Components: 72 Playing Cards, 1 game Mat, 4 Game Pieces, 1 Rule Sheet

Description: The numbers on the cards allow for **MOVES** or **ACTIONS**. But there is not just ONE kind of move! The number is used **FULLY** for **DRAWING** cards to your **RESOURCE LINE**, or **FLIPPING** your cards in your **RESOURCE LINE** to make them available for your **HAND**, or **BRINGING UP** cards from the **RESOURCE LINE** to your **HAND**, or moving your play piece on the game board!

Yep, you have to plan carefully or you **WILL** run out of resource **CARDS**! And there is a penalty for that.

There are special cards that add to the **FUN**.

For families and folks who like a little more challenge, but not too much, **THIS** is the game to play!

A LITTLE thinking...a LOT of fun!®
