

Name: **CASCADE**TM

Players: 2 to 6

Age: 8+

Skills: Strategy, Planning, Predicting,
Decision Making

Components: 68 (2-sided) playing cards, 1 Two-Sided Game Mat, 4 Game Pieces, 1 Rules Sheet

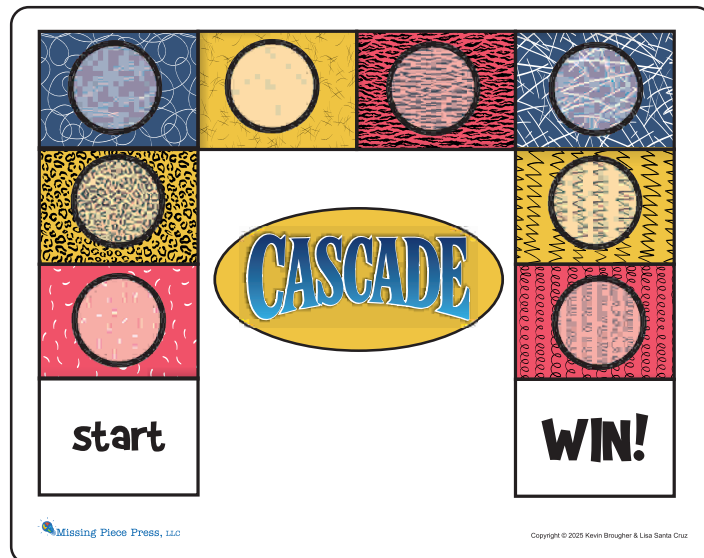

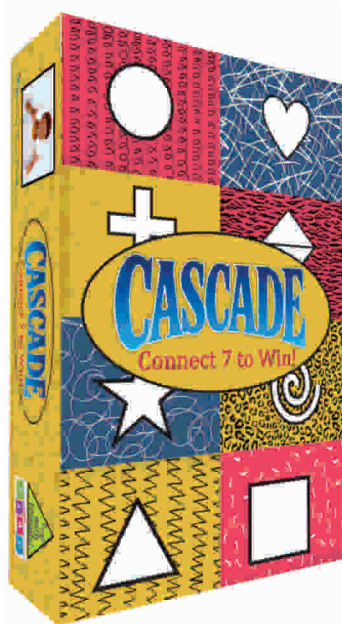

Description:

Yep, just connect **7** cards in row to keep your game piece moving on the board! But...**CONNECT?** Yeah, so that means that from one card to the next they share one of two characteristics. Either the **BACKGROUND** is the same or the **SHAPE** is the same!

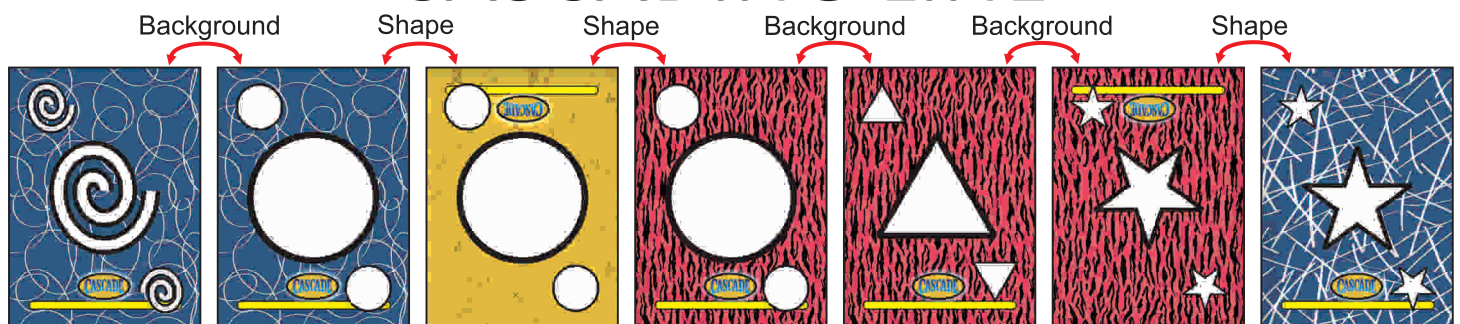

To get started...**ROLL** the **DIE!**

The number on the die represents how many **ACTIONS** you get. Your choice of **ACTIONS** are: 1. **DRAW** to your line 2. **FLIP** (2-sided cards) 3. **SWAP** places or 4. **DISCARD** (can only be the 7th card to the far right of your line!)

And with that, you and your family and friends will be engaged for hours of fun play!

CASCADING LINE

Notice the cards that have been **FLIPPED** (Yellow Line on Bottom).

A LITTLE thinking...a LOT of fun![®]
